CERTIFICATE OF FREE SALE & SANITATION INSPECTION

ASEA, located at 601 West 700 South, Suite 106, Pleasant Grove, Utah 84062 is currently under the Utah Department of Agriculture and Food Inspection Program. The Department of Agriculture and Food regulates the production, manufacture, and sale of foods and dietary supplements in compliance with the Utah Wholesome Food Act and the Utah Food Protection Rule (FPR), which also identifies the standards for the proper facility construction, good manufacturing practices for food (GMP) in manufacturing facilities. This inspection program does not endorse products nor does inspection imply endorsement. The Department of Agriculture and Food does not object to the sale of their product in the State of Utah, a State in the United States of America. This certificate is not to be construed as either an expressed or implied warrant of any of their products, or shall be used for advertising or other similar purpose. Inspection evaluates and assures compliance with the Utah Wholesome Food Act and Utah Food Protection Rule (FPR), which identifies the standards for proper facility construction, good manufacturing practices for food (GMP), and fulfills the requirements of those applicable laws in the State of Utah.

Their product is fit for human consumption.
